A PERSPECTIVE PLAN for DELHI

The National Institute of Urban Affairs has drafted an alternative paradigm for the future planning of Delhi. The 'Perspective Plan for Delhi' envisages a metropolis that is planned in response to the ground realities and the vital needs of the people of Delhi.

The discussion shall be chaired by **Prof. K.T. Ravindran**, Dean, School of Planning and Architecture, New Delhi.

A presentation on the Perspective Plan by architect and historian, **Jagan Shah** shall be followed by comments from the audience and closing remarks by architect and columnist, **Sudhir Vohra**.
